
JANUARY 2021

No refreshments will be available – you are welcome to bring your own.

All attendees must wear a face covering.

Please check our web site, www.nnhs.info before attending any meetings in the Humfrey Rooms.

For meetings held by Zoom, the link will be available from the web site calendar. www.nnhs.info/Whats-On/

6th Wednesday 8.00pm CORNWALL CUP. A competition for members to submit natural history photos, as per PAGB rules 2018. Up to three projected images per member per round allowed. Round 2 of 3. **PHO**

7th Thursday 2.30pm "TERATOLOGY" OR "ABNORMALITIES IN PLANTS". Plants do not always do what we expect of them. We will look at some aberrant plants, and what caused them; if we know what! Like mutations, Galls, interference from Mankind, etc. An illustrated talk by Seán Karley. **BOT**

10th Sunday 2.00pm ON-LINE LEARNING FOR FREE. We will look at some of the courses about Weather and Climate of varying skill levels which are available to us on-line. What are they like and what skills do we need to undertake them. Also a review of the Society records, what and where they are, what we need to do to preserve them. Meeting on Zoom (see Society web site for link), and in the Humfrey Rooms if permissible. **MET**

11th Monday 7.30pm "CONTACT WITH ET - HOW WILL IT AFFECT US"? by Martin Griffiths
Martin is the director of the Brecon Beacons Observatory in the International Dark Sky Reserve at the Brecon Beacons National Park. "Contact with ET - How will it affect us"? Zoom meeting details to follow. **AST**

13th Wednesday 8.00pm PRINT COMPETITIONS
Please submit digital images, hopefully we can revert to prints for the finals. Up to 3 entries / member per / round for each of the four competitions. Mono General, Mono Portrait (Vic Seaton Cup), Colour Print (Jubilee Cup), Digital Art. Round 2 of 2. **PHO**

20th Wednesday 8.00pm TRACEY LUND WILDLIFE PHOTOGRAPHY PART 1 A showcase of images from Japan, Finland, Iceland, Greece, Camargue, Captive and in the UK with stories and experiences along the way. By Zoom **PHO**

21st Thursday 2:30pm GEOLOGY OF THE YORKSHIRE DALES The National Park was designated, in part due to its stunning geology, through which the rivers Swale, Ure, Nidd, Wharfe and Aire flow. Here Bob Purser explores the Carboniferous rocks which underlie them and the glacial history which sculpted them. **GEO**

27th Wednesday 8.00pm THE 2019 P.A.G.B. PRINT AND PROJECTED IMAGE EXHIBITIONS An evening to enjoy some of the best colour and mono images from the national 2019 competitions and exhibition run by the Photographic Alliance of Great Britain. **PHO**

FEBRUARY 2020

3rd Wednesday 8.00pm YOUR FAVOURITE IMAGE (OR 3) whereby we talk about why we took them, what was the story behind the image, any problems we had, what equipment we used, what software (if any) and what we did to the image if we can remember! **PHO**

4th Thursday 2.30pm "AN ABERRANT BOTANIST GOES TO CANADA". A holiday in the Great Lakes area of Ontario, looking at plants we found and anything else that caught our eyes as we went around - like the CN Tower, Niagara Falls, Monarch Butterflies etc. An illustrated talk by Seán Karley **BOT**

7th Sunday 11.00am WEATHER & CLIMATE SECTION AGM. We will discuss the sections achievements over the last year and set targets for the

year ahead, should we run a course format to meetings? Followed by a general discussion of Meteorological matters. Meeting on Zoom (see Society web site for link), and in the Humfrey Rooms if permissible. **MET**

8th Monday 7.30pm PIONEERING WOMEN OF THE BAA by Mike Frost No stranger to the NNHS, Mike has presented many outstanding talks to us. Zoom meeting details to follow. **AST**

10th Wednesday 8.00pm UNDERWOOD CUP A competition for members to submit pictorial images on any subject. Up to three projected images allowed per member per round. Round 3 of 3 **PHO**

17th Wednesday 8.00pm SMALL WORLD – PEOPLE PICTURES FROM VARIOUS PARTS OF THE WORLD by Andrew Foley His work has been published in photo magazines and yearbooks plus regional newspapers. He has held solo exhibitions and his images have appeared in national and international exhibitions. His talk is titled Small World – People pictures from various parts of the world. By Zoom **PHO**

18th Thursday 2:30pm GEOLOGY SECTION AGM & FREQUENTLY USED GEOLOGICAL TERMS. We sometimes throw around geological terms like confetti, but often forget to define them. With practical examples Sue Barker and Bob Purser we will explore Unconformities, Faults, Fining Upward Sequences and Orogenic belts. **GEO**

24th Wednesday 8.00pm PHOTOGRAPHIC SECTION AGM. Come along and hear how the section has been doing, elect our office bearers, and have a say in how the photographic section and its competitions are run. This is the place to put forward your ideas for the section's future direction. **PHO**
